Dear Patricia:

With the start of the 165th school year, I would like to express my gratitude for your faithful support, generosity, and deep love for St. Cecilia Academy. I also write to share a few updates and provide the enclosed statement of activity for The Aurelia Varallo Mariani Scholarship Fund.

Thank you for the difference your scholarship support makes, providing deserving students with the opportunity for a St. Cecilia Academy education. The distinct experience you are giving is a joy-filled environment where girls achieve academic success, build lasting and supportive friendships, and discover their God-given gifts and talents.

Now more than ever, the world needs SCA girls – young women of character, virtue, and leadership prepared to make a difference beyond their time at SCA. However, our 275 students in 7th to 12th grades are already making a difference in our halls, classrooms, on the stage, and on the fields. Here are just a few recent highlights:

- Three students were recognized as National Merit Scholars – one as a Finalist and two as Commended Scholars.
- Members of the Class of 2025 were accepted into 134 colleges, including highly selective schools such as Carnegie Mellon, Cornell, Georgetown, NYU, Northeastern, Northwestern, Notre Dame, Stanford, Vanderbilt, Virginia, and Washington and Lee.
- Students received numerous awards and accolades in the fine arts, including orchestra, choir, and visual arts.
- In athletics, St. Cecilia girls competed at the state level in bowling, cross-country, swimming, and track and field. One student is continuing her athletic career at the D1 collegiate level in acrobatics and tumbling at Baylor University.
- Through the school's four-year service initiative, students served vulnerable populations in the Nashville area.

The enclosed report summarizes the activity and amount being awarded this year from The Aurelia Varallo Mariani Scholarship Fund. Your scholarship endowment, along with that of more than 35 others, is providing financial assistance to 37% of our student body this academic year. On behalf of the young women who benefit, I extend my heartfelt appreciation. Please be assured of my prayers.

Sincerely in Christ,

S. Dominic O.P.
